Dear Madam

Re: Book Donation.

We are very appreciative of the noble and sterling work done by the Rotary Humanitarian Club. Over the many years your book distribution project to various educational institutions has provided great opportunities to develop a culture of reading and satisfy enquiring minds.

We are blessed to be a recent beneficiary of your book donation through the initiative of a young Miss. Hital Parbhoo. After visiting our school, Zodiac Primary, Hital went on a massively successive drive to gather books for the school.

This letter, together with the accompanying photographs, serve as evidence that the school has taken receipt of the books supplied by you.

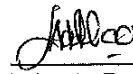

Our gratitude to you. May God grant you more strength to continue with your very important task.

Thanking you

Yours in education

S. Govender  
Acting Principal

Mr. A. Lalloo  
Educator
